

# Wayne Head

Investment and Risk Specialist  
Authorised Financial Adviser

Wayne is passionate about wealth creation and management. He has a keen interest in pension transfers as well as protecting clients against personal risk, with income, health and life insurance.

With 24 years in Estate and asset planning and more recently with a major KiwiSaver provider, Wayne draws on his diverse background to provide his clients with real solutions for real people.

Wayne can help you protect the assets you have developed and help you understand and quantify your Long term financial goals.

## Contact Wayne

For a financial plan designed to help you move from the today you have, to the tomorrow that you want.
