

Michael Dowling, CFPCM, CLU

Director

Authorised Financial Adviser

Dip. Financial Planning

Michael is amongst a small number of Financial Advisers endorsed by AMP, who have over 25 years experience. He has served on a number of national adviser bodies that promote the development of the profession.

Focusing on Financial Planning and Personal Risk Management Michael uses his more than 30 years involvement with the New Zealand army, mechanical engineering and quality control background to help you develop a well thought out and structured financial plan.

He understands the balance between your needs of living now and planning for the future. His recommendations to you are based on realistic assumptions that are personalised to your specific goals and needs.

You will be provided with an in-depth plan or solution that is efficient and easy to understand.

## Contact Michael

For your strategic financial or risk management plan, personalised to balance your specific goals and needs.
