

Neil Carter

Director

General Insurance Manager

Registered Financial Adviser

Neil specialises in Domestic and Business insurance, with over 30 years experience across a wide range of insurers.

He also assists the AMP Advisor Association with technical expertise on policies. His broad and varied knowledge base helps him to understand your insurance needs whether for your home; contents and car, or your household move, storage cover, building/renovation project or the more complex commercial environment.

He will help ensure you have the appropriate cover in place and provide ongoing support for you when you need him.
